

## ETS-360TW/WS

Order No.: 0162270

### PRODUCTINFOS

#### The new generation of column speakers from MONACOR:

All the advantages of a column speaker (shape, directional characteristic and mounting) are now combined with an excellent sound quality and a particularly high level stability. With the 2½-way ETS speakers (ETS-360TW/WS) or 3-way ETS speakers (ETS-340TW/WS) in a wooden cabinet with white decorative surface with wood pattern, most varying requirements can be met by these speaker systems, like a very good speech intelligibility and at the same time an optimised music reproduction of the full range.

#### High-end column speaker,

(indoors), 100 V.

Column speaker in a wooden cabinet of compact size, coated with high-quality foils in decorative wood pattern, 2½-way technology with tweeter (25 mm textile dome), clearly extended frequency range compared with standard full range column speakers. The ETS-360TW/WS speaker impresses with an incredibly dynamic and complete sound, a convincing speech intelligibility and an amazing sound even at higher volume levels.

- 2 bass speakers, 4 bass-midrange speakers, 1 tweeter
- Spring-loaded terminal with 3 power taps
- 2 x M8 threaded bushing

- Supplied with mounting brackets
- Metal front grille

## **PROSOUND 01/2008**

“Can be integrated into almost any architectural style without any problems. These speaker systems can be operated somewhere for 20 years without being noticed.”
